Community Connections Preschool is excited to offer a summer program designed specifically for children ages 4 and 5 who have already had a year of Pre-K!

The camp is located in a preschool classroom in Berlin Elementary school. It combines elements of summer camps and daycare programs. We will enjoy access to the school's gym, art room, playgrounds, and the rest of the campus. Campers will practice many of the same routines that children use in our local schools.

Each week will have a theme such as animals, seasons, and 4th of July. Campers will take walks, do arts and crafts, enjoy daily water play with sprinklers and slip n slides, play games, and explore the woods and fields!

Preschool Summer Camp is convenient for you and fun for your camper! You can choose 3–5 days per week and you can pick and choose your weeks. I hope your child will join us this summer!

Kids will be kids! But...

Community Connections staff are experienced and trained in working with kids of all ages. To protect the safety and well-being of all children, we have expectations and standards for behavior. If a child is unable to meet those standards, even with all the support we are able to provide, we may have to call the parent or guardian and ask that the child be removed from camp. Please help by telling us anything about your child that will help us meet his or her needs.

Please call Community Connections at 802-223-3456 or email us at arob@u32.org with any questions you may have!
